

## Seasonal Operators

The City of Worthington is accepting applications from interested qualified applicants for the purpose of operating snow removal equipment on an “on call” basis for the 2010 -2011 snow season until positions are filled. Applicants must possess a current Minnesota CDL drivers license, be familiar with the operation of various equipment utilized in the operation of snow removal and willing to work under extreme weather conditions including nights, weekends and holidays as conditions warrant. Applicant must be able to respond within a maximum of one hour after being notified. Selected applicants will be required to test out on equipment which they may be required to operate to prove competency.
