

# PUBLIC OPEN HOUSE

## McMillan Street and Ryan's Road Street Improvements Project

Please join us at the **Worthington Fire Hall (830 2<sup>nd</sup> Avenue)** from **6:00 p.m. to 7:00 p.m.** on Wednesday, December 7, 2016, for a Public Open House regarding the McMillan Street and Ryan's Road Street Improvements Project. The project includes roadway improvements and the addition of pedestrian and/or bicycle facilities to the corridor along Ryan's Road between McMillan Street and Ray Drive and on McMillan Street between Oxford Street and Ryan's Road.

Personnel from the City Engineer's Office and SEH will be available to explain the proposed project and answer any questions you may have. No formal presentation will be made at this open house; however, information will be on display for review by the public. Comment cards will be available for additional feedback concerning the project.

Meet us here!

***Can't make the meeting, but still have great ideas to share?***
